TERMS

Please note that there is a non-refundable amount of one month's tuition which is only applied to June 2022 for both payment options. All cheques payable to THE K-W MONTESSORI SCHOOL INC. must accompany this signed tuition agreement and completed registration form before placement can be confirmed (N.S.F. cheques are subject to a penalty of \$50.00 per cheque and late payment of 2% per month). Extended hours are not included in the above schedule. Before and/or after school fees are to be included with each of the above payments with the exception of the initial registration deposit. When a family has more than one child enrolled in the school the eldest child pays full fees and the second and subsequent children will receive a 10% discount on tuition fees only. KWMS reserves the right to ask a student to be withdrawn if fees are not paid in accordance with the terms outlined in the above payment plans.

WITHDRAWAL POLICY

Should your child be withdrawn from the school during the academic year, one month's written notice is required. All subsequent post dated monthly cheques will then be returned. Because it is difficult to introduce new children to the program in the latter months of the school year, where a child is withdrawn after January 1st post dated monthly cheques are not returned. The June 1, 2021 installment is only refundable if the school is advised in writing prior to August 1, 2021 that the child will not be attending.

RELEASE OF INFORMATION

We give consent for the transfer of school records to and from The K-W Montessori School Inc., as well as give permission for the use of parent and student names, addresses and phone numbers in school directories, the use of names and photographs in school newsletters, yearbook, promotional materials, website promotion, social media, video taping and newspapers and to the display of student work in the classroom, in school publications and during other school related functions.

RELEASE INDEMNITY

The parent understands that in the event of illness or accident, the school or its agents are hereby authorized to seek medical attention or to have the child taken to the nearest hospital by staff vehicle or ambulance for treatment by a qualified medical attendant. The parent understands that young children, even under close supervision, will have occasional accidents. We, (I) the parent(s) or guardian(s), release, indemnify and hold the school, its agents, employees and volunteers harmless from any and all claims, damages, or other liabilities for injury to my child which are not a direct result of negligence of the school, its agents, employees or volunteers.
